

Weronika Motkowska

Data Scientist | Forecasting & Marketing

weronikamotkowska@gmail.com · +48 512 012 989 · github.com/wmotkowska

EXPERIENCE

InPost

Data Scientist

Sep 2024 – Present · Warsaw

- Designed end-to-end forecasting pipelines with time series cleaning, feature engineering, and exploration in Python
- Developed forecasts using ML frameworks (scikit-learn, Nixtla) and foundation models (TimesFM, Chronos)
- Built reproducible code repositories with Kedro on Azure Databricks and GitHub
- Maintained weekly forecasts, collaborating with operations and business teams on strategic planning
- Led sprint planning, task management, and onboarding of new team members

Junior Data Scientist

Jan – Sep 2024 · Warsaw

University of Warsaw

Research Assistant

Oct 2023 – Sep 2024 · Warsaw

- Co-authored paper on cross-sector competition in film and gaming across 38 countries (2015–2023)
- Gathered historical data using web scraping in R and Python
- Conducted empirical research in cultural economics frameworks
- Presented findings at AIMAC 2024 International Conference, Lisbon

EssenceMediacom Poland

Junior Data Scientist

May – Dec 2023 · Warsaw

- Led end-to-end sales data exploration and analysis for agency clients
- Built econometric and Bayesian business models in R and Python
- Collected data via BigQuery, APIs, Google Trends, and web scraping
- Developed RShiny dashboards and automated HTML/PowerPoint reports
- Deployed production solutions on Google Cloud Platform

Graduate Econometrician

May 2022 – Apr 2023

Local Heroes

Intern → Production Assistant

Mar – Jul 2020 · Warsaw

EDUCATION

M.Sc. in Data Science

University of Warsaw · Oct 2021 – Dec 2023

Focus: ML, Big Data Analytics, Econometrics, Text Mining, Web Scraping

Thesis: Music marketing on TikTok — audio and lyrics analysis using PCA and Random Forest

B.Sc. in Mathematics

University of Warsaw · Oct 2018 – Jul 2021

Focus: Analysis, Algebra, Probability Theory, Topology, Differential Equations

Thesis: Solutions to the wave equation in the vibrating string problem

B.Sc. in Economics

University of Warsaw · Oct 2018 – Jul 2021

Focus: Micro/Macroeconomics, Econometrics, Finance, Time Series, SQL

Thesis: TikTok and music popularity — Spotify chart duration vs TikTok trend persistence

ENTREPRENEURSHIP

Motka Rzeczy

Founder & Creator · tiktok.com/@motka.rzeczy

- Run a small ceramic business with end-to-end production
- design, clay work, glazing, and fulfillment
